## **CHANGE DOCUMENT FOR ASYCUDA WORLD UPGRADE (NEW MODULES AND NEW MENU OPTION)**

## MENU CHANGES TO DOCUMENT LIBRARY:

Licence menu has changed to a **“SINGLE WINDOW”**.

**THE FOLLOWING ARE THE CHANGES IN THE ASYCUDA WORLD  
CARGO MANIFEST MODULE:-**

**Cargo Manifest now has three(3)-main folders Data Management, Printouts/Reports and Queries of Containers as shown in the following illustration:**

## 1. Data Management

Data Management options allow for the manual keying of manifest data and also the electronic submission /integration through Xml file etc.

## 2. Printouts/Reports

Printout/Reports: The addition of “Full-Cargo” printout option to the menu of documents to be printed.

## 3. Queries of Containers

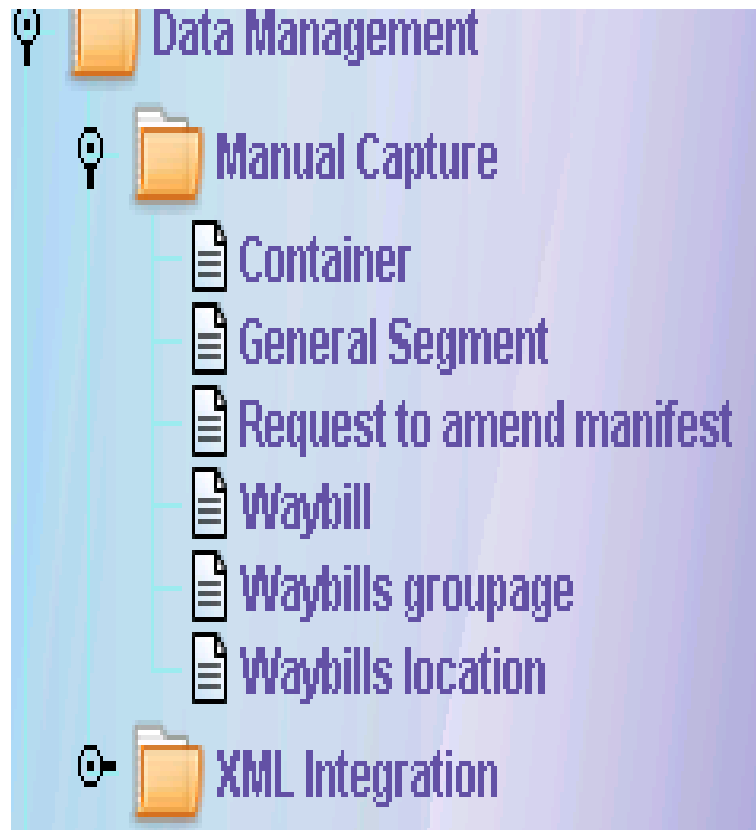

This option allows a user to find containers either by providing the list of containers belonging to a specific manifest or the list of Waybills /transport document relating to a given container.

# Data Management

The Data Management Folder contain two folders; Manual Capture and XML Integration.

**Here are the documents in the Manual Capture folder under Data Management. Please note the changes.**

## NEW FORMAT FOR ATTACHING DOCS, INVOICES ETC

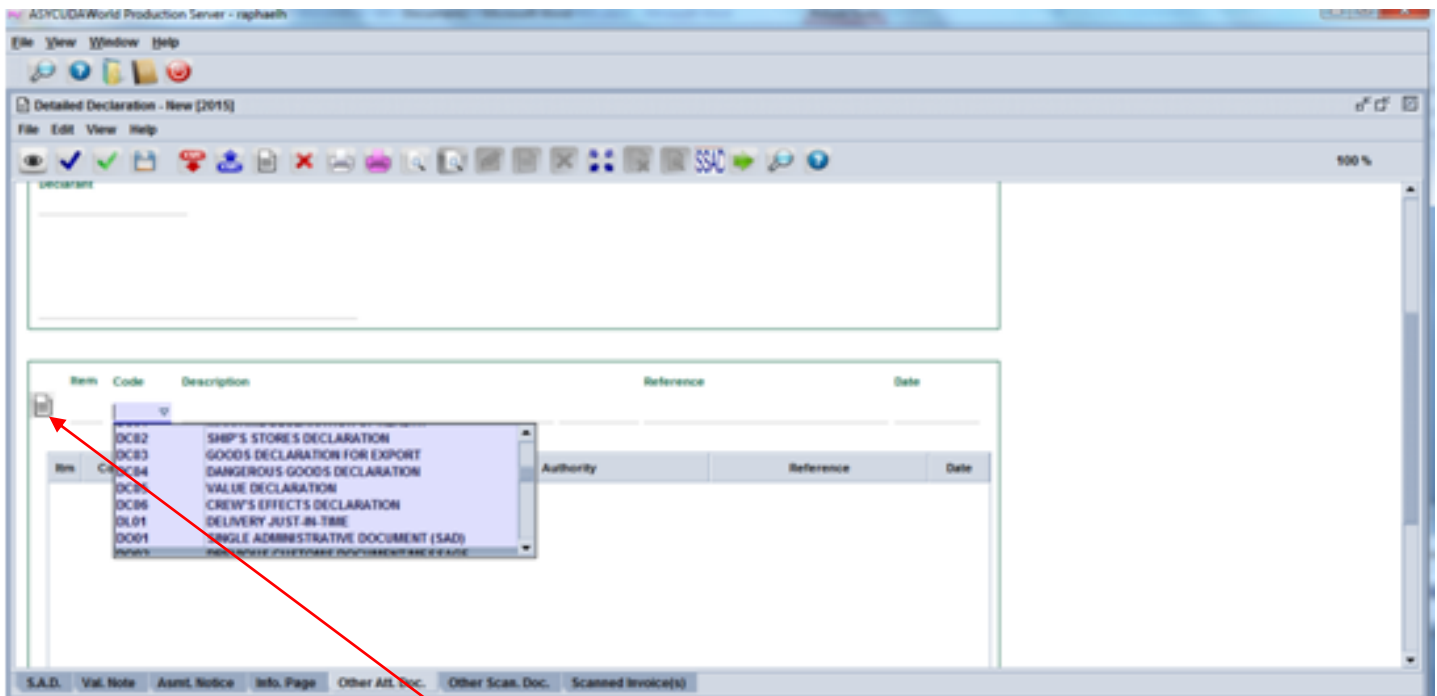

These tabs appear at the bottom of the declaration screen

Nb. (If you added a container previously in the older modules, then this is clock work)

Attaching documents in this tab is now similar to adding a container

### Other Att. Doc Tab

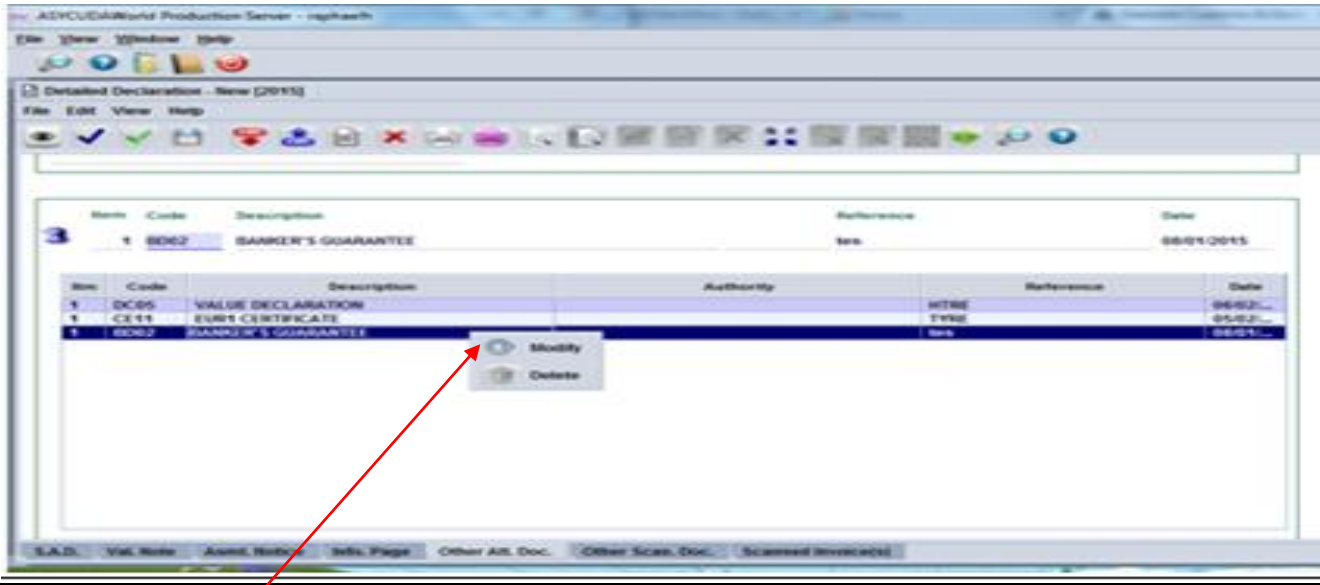

For each item you can choose the document type and indicate the Reference/Instrument/Cabinet conclusion.etc then click on the

“**ADD ATTACHED DOCUMENT ICON**”

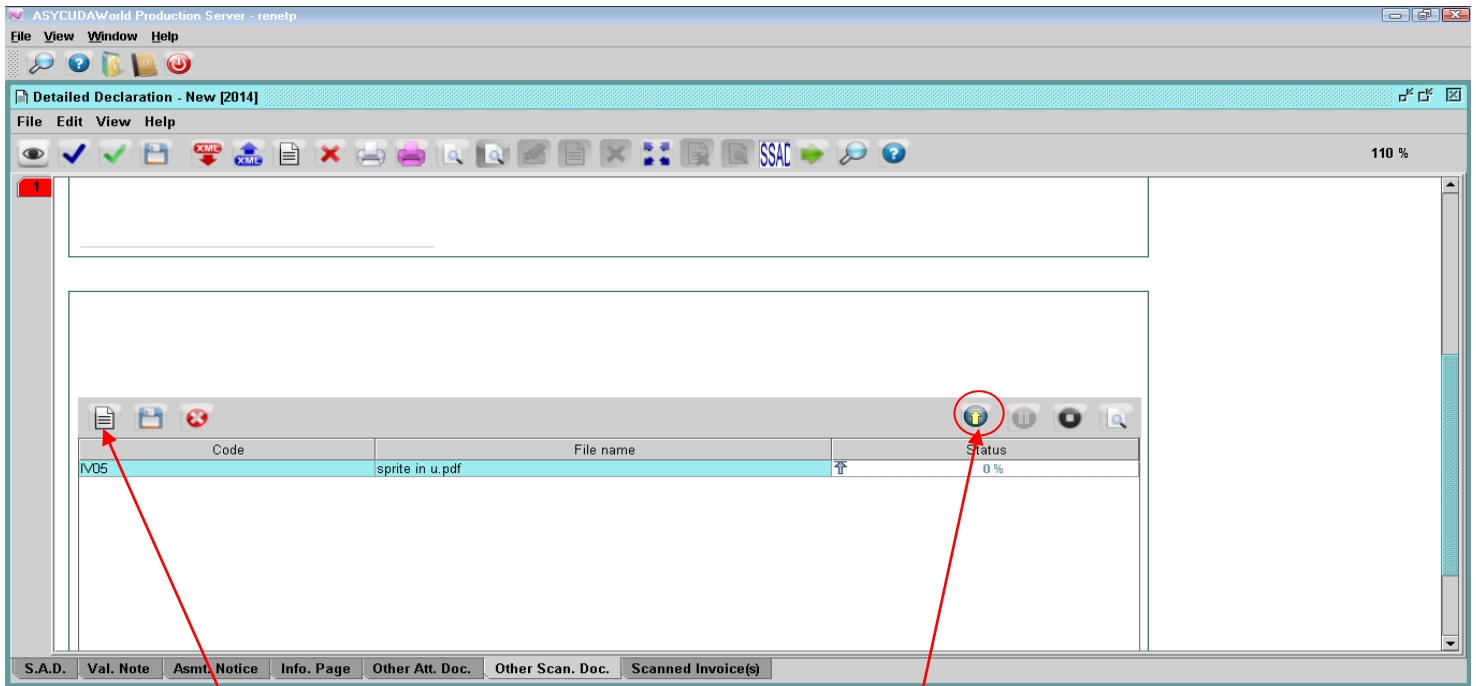

to add the document.

You can make changes to the chosen document by right clicking and selecting the document  
You can delete or modify the selected document

## ATTACHING YOUR SCANNED DOCUMENTS

On clicking the “**NEW**” Document Icon you can search your computer document storage for any document you previously scanned.

Once the document is found you will click on the Up-load icon  to lo  ad the file to the declaration.

There is a status bar which indicates the upload percentage in real time.

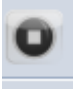

- Save Document  .
- Delete the selected file: 
- View the uploaded file  .
- Pause uploading the file 
- Stop the uploading file 

## ATTACHING YOUR SCANNED INVOICES IN SUPPLIER'S TAB

On clicking the “**NEW**” Document Icon you can search your computer document storage for any document you previously scanned.

Once the document is found you will click on the Up-load icon  to load the file to the declaration. There is a status bar which indicates the upload percentage in real time.

- Save Document  .
- Delete the selected file: 
- View the uploaded file  .
- Pause uploading the file
